

Dear Potential Sponsor:

WE NEED YOUR HELP TO HELP OTHERS!

Please read the Press Release which explains why and how we are tying 350 Alternative Health Care Treatments in with the mission of 350.org – this is all to raise public awareness around climate change. On this Global Day of Climate Action, please JOIN US!

How you can sponsor this event:

- Basic Sponsorship: \$95 for all benefits below
- Enhanced Sponsorship: If your business or group would like to be represented at the Alternative Health Faire in a booth in addition to a Simple Sponsorship, we'd love it! Sponsorship and Booth package is only \$149.
- Trade Sponsorship: We need food donations for the practitioners, gifts and prizes for the drawings, to borrow tables and chairs and anything you can suggest that's not listed here – if you can help us out in trade, let us know! Trade in the value of approximately \$95 gets you all the benefits below! Trade valued at \$149 will be eligible for a Booth and Sponsorship Package; combination of trade and payment is also possible.

What you get for your sponsorship dollars or donation:

- Prominent placement of logo on 350 at TPB Banner inside
- Prominent placement of logo on 350 tote bags given away with treatments
- Link to your web site on the TPB event page
- Be a part of a GREAT community building event – we anticipate 500 – 1000 participants on October 24th
- Affiliate yourself with like- minded businesses, and be seen by the Salem community as an environmentally conscious business
- Show your support for responsible international agreements surrounding climate change
- Widely publicized – we are in contact with the major news outlets in the Willamette Valley, from Eugene to Portland. We will have web based advertising, as well as print coverage in the local newspapers. Make your business part of the many others who will be acclaimed as supporting our massive efforts on the 24th!
